
Found Horror Game 11.exe Patch 8 Download Extra Quality

March 21, 2019 - Bad news: I'm sure you guys noticed that Game 5 took a little longer than I expected. I was hoping to release it last weekend, but . Because of this, I had to decide whether I should postpone it or not. In the end, I decided to shelve it to give the game a little more development time. It's a good news. The good news is that we are still developing Game 5 together and I want to finish developing it one way or another. We still have a lot of work to do. So I'm not entirely sure how long it will take. But I believe we won't have any other games this year, so hopefully I can finish the game 5.
