You can edit and correct images in the Preview screen. To keep things simple, in this book I focus exclusively on the Photoshop CS5 interface, because it's the most user-friendly and powerful Photoshop version that's been released. Many of the features in the CS5 interface are similar to those in the earlier versions, and the CS5 interface is the simplest to use. If you've made your way through this book, you should have a good sense of how to navigate the interface. # Photoshop Elements Version 6: A New Beginning After the release of Photoshop CS5, Adobe discontinued the release of Elements (the common name for Photoshop Elements) because the company wanted to focus all its attention on updating the software. However, Adobe has released a new version of Elements that is so powerful and so integrated with Photoshop that it may well take your breath away.

Pharmacokinetics of cefodizime in patients with HIV infection. A study was conducted to evaluate the pharmacokinetics of cefodizime in patients with HIV infection. In an open-label, nonrandomized study, patients with HIV infection received a single 1 g iv dose of cefodizime. Blood and urine were collected at intervals for 48 h. Cefodizime was quantitated in plasma and urine by a validated LC-MS/MS method. One patient had no detectable plasma levels of cefodizime at any time point, and three patients (33%) had cefodizime plasma concentrations less than the minimum inhibitory concentration for *Escherichia coli*, *Haemophilus influenzae*, *Moraxella catarrhalis*, and *Streptococcus pneumoniae*. In patients with measurable plasma levels, geometric mean $t_{1/2}$ was 13.8 h. All patients had measurable urine levels. Approximately 50% of urine levels were excreted in the first 6 h and the remainder in the first 24 h. There was no correlation between cefodizime plasma concentrations and the number of organisms cultured from urine. These data suggest that patients with HIV infection do not have altered cefodizime pharmacokinetics.

David Bowie dies at 69 The rock icon was a transgender icon Musician David Bowie died in New York on Monday, Jan. 10. He was 69. Bowie was born David Robert Jones in Brixton, London, UK, on Jan. 8, 1947, but grew up as David Arnold Smith, the son of actress Lesley Woods and her husband, artist George Smith. Bowie's star began to rise in 1967, when his first single, "Space Oddity," hit No. 1 on the British charts. (The song was originally released on his own name.) His debut album, "The Man Who Sold the World" (1969), was a brilliant anomaly: a viciously challenging exercise in pop music that never broke into the Top 10 in the U.S. The public appeared to like it, but it made the British music press insist that Bowie was "cursed with genius." In fact, in the U.S., Bowie's first number-one hit, "I Can't Get No" (in January 1969), was his biggest hit. But it wasn't until February of 1970 that "Space Oddity" landed in the top spot, where it remained for

Q: Get last 10 minutes I am using this query to get the last 10 minutes: `SELECT * FROM `table` ORDER BY id DESC LIMIT 1` My question is it possible to get the last 10 minutes by the time mysql will take to return the results? I tried to run `query_times` function but it returns seconds, not minutes

```
EDIT mysql> SELECT query_times(); +-----+ | query_times() |
+-----+ | 1 | +-----+ 1 row in set (0.00 sec) A: select * from `table`
ORDER BY id DESC LIMIT 1 limit 0,10 should get you 10 minutes. If you
have other fields, you will have to select those to get your data. To get the
query time, you can use mysql> select query_times(); +-----+ |
query_times() | +-----+ | 1 | +-----+ 1 row in set (0.00
sec) mysql> select order_id, query_times() AS t +-----+-----+
| order_id | t | +-----+-----+ | 13 | 1 | | 12 | 2 | | 11 | 3 | | 10 | 4
| | 9 | 5 | | 8 | 6 | | 7 | 7 | |
