Plants vs Zombies Garden Warfare 2 is an enhanced version of the original Plants vs. Zombies Garden Warfare game. This game has been released for a variety of platforms, including the PlayStation 4, PlayStation 3, Xbox One, Xbox 360, and PC. The game was announced on the EA Play website on September 9, 2014 and released worldwide for download on September 13, 2014. A PlayStation Plus Edition of the game was released on December 13, 2014 with bonus content. Plants vs Zombies Garden Warfare 2 features six-player online co-op, zombies, and a new class, the Hunter. The three new classes are the: The Medic, The Demoman, and The Engineer. The three new multiplayer maps are: The Lounge, King of the Garden and the Resistance. In addition, there are five maps exclusive to the PlayStation 4 and Xbox One versions. The five new maps available for download include: The Lounge, King of the Garden, The Resistance, The Cupcake Factory and Redemption. The unique mechanic of the DLC is that each of the maps includes a predetermined number of plants, guns and zombies. For instance, the lounge has 17 plants, eight guns and 10 zombies. For each map, gamers can select new items or use "Ironsights" to save their progress. You can download all of these offline compartments in our complete guide. Five days before the release, the Xbox Store advertised Plants vs. Zombies: Garden Warfare 2 for 12.00 on Windows PC and Xbox 360. Gamers found a pre-order option on the Xbox Store and purchased the game days before it was released. Plants vs. Zombies Garden Warfare 2 is the second game in the Plants vs. Zombies series, with the first being Garden Warfare. The game was first announced on May 22, 2014. At the 2014 Electronic Entertainment Expo (E3), the game was announced for October 18th for the Xbox One and Xbox 360. Shortly before the release, Windows Phone, Windows 8, and Windows 10 versions of the game were added to the Windows Store. This game also features an all new character class, the Hunter, a new melee weapon, and a defensive turrets. The Arena is a big addition in the game, where you can compete in fun competitive battles. The main draw for a lot of people will be the multiplayer. This new mode will be available for all gamers, with the exception of PS4, Xbox One and Windows PC players. Only PS4 and Xbox One players will be able to play
